Worker's Charter

This is our agreement for people living in Derventio housing who get paid work.

Derventio's Part of the Deal

To help you find and keep a home that's right for you

- We will guide you to find a home that you can afford in the private rented sector or social housing
- We will help you with the paperwork and practicalities if you need this
- We will give you support for up to 6 weeks to find a home to move to

To help you with money

- We will help you apply to Housing Benefit to help with the rent if you are entitled to this
- We can guide you with budgeting if you require help with this

Your Part of the Deal

To move to a home that's right for you

- Be realistic about your options
- Work with staff to find a new home
- Your aim is to move into your new home within 6 weeks

Be smart about your money

- Provide all the information that Housing Benefit ask for – this can include payslips
- Ask for help with budgeting if you need it
- Pay the rent we ask you for, keep up with your payments and address any arrears through a payment plan
